

A SELF-CONSTRUCTED MAN

Founded by Faruk Patel, KP Group is one of the rapidly growing business groups which hails in Surat

FARUK PATEL
Chairman & Managing Director

-A Correspondent
Faruk Patel, the chairman and managing director of KP Group, was awarded for 'Highest RFAI' (Ready For Active Installation) by Indus Tower. This 44 year old, man is not only the managing director of the company, but also the founding promoter of the same. His real estate company, KP Group, has a plethora of sub-companies associated with it such as KP Buildcon Private Limited, KPI Global Infrastructure Limited, KP Energy Limited (BSE SME

Listed Company), Listed in February 2016 at ₹70 has reached CMP of ₹338, KP Energy Mahua Windfarms Private Limited, Windfarm Developers Private Limited and KP Human Development Foundation. Apart from winning for the Highest RFAI, he has received many awards from the government and other agencies. Hence, knowing this man is itself an inspiration.

He has a vast business experience of over 20 years and has been instrumental in ushering the growth of operations of the company. He began his business career in the year 1994 by starting a venture engaged mainly in logistics and construction of residential buildings. From 2001, Patel incorporated various companies in order to diversify and run various businesses like renewable energy (solar and wind), dredging, manufacturing and galvanizing of telecom towers, manufacturing of textiles and FMCG. Under his leadership, KP Group has worked for several corporate giants such as Vodafone, Tata, Indus, Reliance, Airtel, Lanco, Moserbear, etc. Therefore, this

Bharuch born man, who was brought up in Surat though, is a diploma holder in textile engineering and export, and an expert in understanding solar energy.

By occupation an industrialist, he and his company is deeply involved in producing

Renewable Energy through solar Park and Wind Farm Development. Other than the achievements mentioned above, his firm had also received an award for having the best Solar Park in India by MNRE RISE in 2016, KP Energy Limited Top Gainer in SME 2015 – 2016, KP Group

selected as The Most Promising Brand of the Year 2015 by WCRC and Best IT Tax Payer 2008 – 2009. KP Energy Limited had also hosted an IPO launching ceremony.

As far as Patel's social profile is concerned, he is the president of the Surat District Muslim Education Society (Anglo Urdu High School), which has over 6200 students; Bharuch Jilla Muslim Vohra Patel Samaj; The Muslim Brotherhood; and that of Firdos Tower Society.
