14 Beyond Boundaries Award: Teams honoured for completing hybrid project in Bharuch's Kora and Bhavnagar's Bhungar villages in four and seven months respectively.

Our Chairman and Managing Director is now "Dr. Faruk Gulam Patel"

American East Coast University acknowledges Faruk Patel's efforts in the field of renewable energy.

Faruk Gulam Patel, Chairman and Managing Director of KP Group, a leading player in solar, wind and hybrid power, has been conferred with the honorary doctorate degree by the American East Coast University for his work in the field of renewable energy. Throughout his 28-years career in renewable energy and infrastructure development, Mr Faruk Patel has received several accolades for innovation, talent and creative management. The honorary doctorate was conferred on Mr Patel at a programme at Sayaji Hotel in Vadodara on Sunday (June 11). Pavan Agrawal, the American East Coast University's India representative, appraised Mr Patel's accomplishments in innovation, talent and creative management and conducted his interview at KP House. The application for conferring the honorary doctorate was forwarded to the University's headquarters in New York following scrutiny of the requisite documents. The honorary doctorate was conferred on Mr Faruk Patel after the University's approval. "I am deeply honoured and humbled to receive this prestigious honorary doctorate. It is a recognition of not just mine, but the collective efforts of the team of KP Group and our commitment to driving innovation and sustainable solutions in the renewable energy sector. This recognition will serve as an inspiration for us to continue our journey towards a greener and more sustainable future. I am grateful to the American East Coast University for this honour," Mr Patel said on the occasion. It is worth noting that the honorary doctorate marks the continuation of the prestigious awards and honours Mr Patel has received over the years. He has previously received awards such as the Legend of Surat 2018, Business Icon 2018, and The Leaders and Rotary Lamhe Awards. Two companies of the KP Group - KP Green Energy Limited and KP Energy Limited, are listed on the stock exchanges.

KPI Green and KP Energy's results announced

Profit After Tax jumps, revenue crosses Rs. 1,000 crore

1 GW milestone about to achieve

The KP Group is used to working with team work, dedication and speed. Continuing the tradition, KP Group successfully completed 946+ MW solar, wind and hybrid power projects in financial year 2022-23 and recorded a revenue of more than Rs. 1,000 crore. The company's Profit After Tax also surged during the fiscal. The Group is determined to achieve the target of 2 GW of renewable energy projects by 2025. It is also noteworthy that KP Group has opened new possibilities and opportunities for wind power projects in South Gujarat. With a perfect amalgamation of new technologies, dedication of youngsters in the team, and the

guidance of experienced seniors, the Group has installed seven hybrid wind power plants in Kora village of Bharuch under the state's Hybrid Policy. It is the first wind turbine in south Gujarat, and opens new avenues for the wind energy sector. If we look at financial performance for the year 2022-23, the revenue of the group's two listed entities - KPI Green Energy and KP Energy - was Rs. 10,848 million, a growth of 125% over the previous year's Rs. 4,819 million. Similarly, the Profit After Tax (PAT) was Rs. 1,535 million in fiscal 2023, 149% higher than the previous year's Rs. 615 million.

The Revenue and Profit After Tax of both companies are presented below

KPI Green Energy Limited + KP Energy Limited	FY23	FY22	GROWTH(%)
REVENUE	10,848	4,819	125
PAT	1,535	615	149
KPI Green Energy Limited	FY23	FY22	GROWTH(%)
REVENUE	6,470	2,315	179
PAT	1,096	432	154
KP Energy Limited	FY23	FY22	GROWTH(%)
REVENUE	4,378	2,504	75
PAT	439	183	140

Miracles are not created, but we have succeeded in creating one:
Dr. Faruk G. Patel

Addressing KP Group employees to celebrate the group's growth, CMD Dr. Faruk G Patel, said, "The company means all of us. Your collective efforts have taken this company to such heights which most people cannot even dream of. You not only dreamed of it, but have also made it a reality. There is not a single person who has not contributed to make this a reality. We have achieved revenue of Rs. 1,100 crore for the year, i.e. Rs. 5 crore per day. The Profit After Tax has also crossed Rs. 150 crore in the year. There are only 770 companies in India that have touched these figures, and we are one of them. This is a

very big milestone for all of us. We are committed to work together and perform even better in the future. Our name will be taken with pride." Dr. Faruk G Patel also spoke about the immense opportunities in the renewable energy space in India and globally. "There is unmatched scope for growth in renewable energy segment as well as green hydrogen. We will grow rapidly in both segments. You will witness the growth in the coming days. In the year 2004, our balance sheet was only Rs. 40 lakh, but we all have collectively taken it to Rs. 1,100 crore and Profit After Tax of Rs. 150 crore. These are not small achievements by any means. As we grow and move ahead, many more people will join us. Many of these people will be smarter than us, faster than us. If we can match shoulder-to-shoulder with them, all of us will grow. This is what we had thought earlier and have achieved it. It is my request to everyone that you welcome them and make efforts to move ahead faster. We should aim to celebrate growth like Eid and Diwali," he said further. Dr. Faruk G Patel further said that the KP Group's work is contributing to a better world for the future generations. "We are doing a very pure work. It is not how much profit we make. But it is worth remembering that we are giving something to the country and world and mankind. We are striving to create a better environment for the coming generations. If our intentions are good, there is no force that can stop our growth. If we continue to work in the same manner, but with greater passion and dedication, our revenues will be three times higher in the future. By looking at the smiles on your faces, I am confident that we will definitely achieve these targets. The growth of the company means your growth. Miracles are not created but we have certainly succeeded in creating one," he added.

You are under CCTV Surveillance: KP Group supports Surat Police campaign

In an endeavour to tackle the rising crime rates in the city, Surat Police have installed an extensive network of CCTV cameras. The network is being steadily expanded. The police have made CCTV cameras mandatory in residential societies, commercial complexes, public places, roads, banks, and other places. The police have also put up boards at several places informing people that they are under the watch of CCTV cameras. Rander Police in Surat has also launched a campaign to reassure and also warn people. Following a request by Rander Police, KP Group has supported the campaign by providing 200 boards to create greater awareness among the people.

Barricades provided at Surat Airport

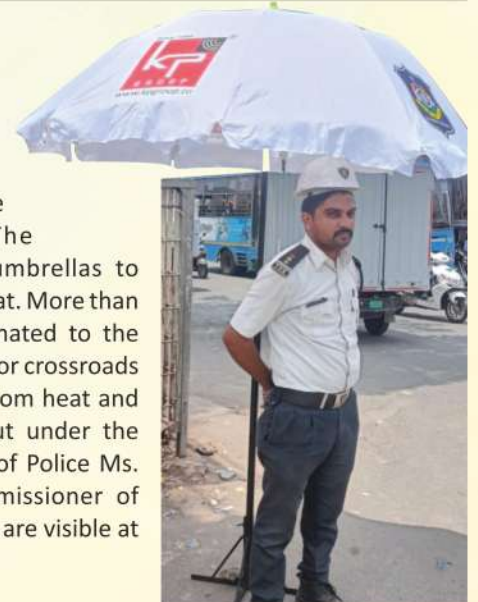

With the increase in air connectivity, there is a lot of vehicular traffic at Surat Airport. Barricades are required to regulate vehicular traffic. Following a request by the Airports Authority of India, KP Group has provided 10 barricades to the airport.

KP Group installs Umbrellas to protect traffic police from heat

KP Human Development Foundation, the philanthropic arm of KP Group, is always eager to support various welfare initiatives as a part of the group's Corporate Social Responsibility (CSR). The Foundation decided to provide umbrellas to protect traffic police from intense heat. More than 100 such umbrellas have been donated to the police personnel and installed at major crossroads and traffic circles to protect them from heat and rains. The initiative was carried out under the guidance of Deputy Commissioner of Police Ms. Amita Vanani and Assistant Commissioner of Police Mr. MS Sheikh. The umbrellas are visible at various important traffic points.

After Muscat, KP Group eyes UAE renewable energy market: Signs agreement with Tristar

KP Group is expanding its international presence. After establishing a company in Muscat, KP Group is gearing up for entering the renewable energy market in the United Arab Emirates (UAE). The

Group has signed an agreement with UAE-based Tristar transport to develop eco-friendly energy solutions across multiple regions, including India, the Middle East, Africa, Asia Pacific, America, and Europe. The joint business development agreement was signed between the two sides in Dubai in April 2023. It will leverage the respective expertise of both parties to identify and execute wind, solar, green hydrogen, and green ammonia projects. It is noteworthy that KP Group's solar arm KPI Green Energy has a portfolio of over 468+ MW. The wind vertical KP Energy has over 1.8+ GW of wind portfolio. On the other hand, Tristar is a fully integrated energy logistics service provider with a global presence in 29 countries. It serves clients nationally and internationally in the downstream oil and gas industry.

Pilot Project

Solar tracker system installed at Solarism plant

One of the secrets of KP Group's success is that it does not shy away from working on new ideas and adopting new technologies. In line with its philosophy of perfection and speed, KP Group has installed solar tracker system at its Solarism plant in Sudi village of Bharuch. As a pilot project, the solar tracker system has been installed on 500 KW capacity. It will be expanded to bigger plants depending on the outcome of the pilot project. The system is expected to boost the Plant Load Factor (PLF), i.e. the measure of average capacity utilisation of the plant. The solar tracker system tracks the movement of the Sun and positions the solar panels accordingly. At present, the solar panels are fixed in the East to South direction. The direction generates a good quantity of electricity by harnessing the power of the Sun. However, the generation can be increased using the solar tracker system. As an illustration, non-tracker solar panels of 500 KW can generate 2,541 units of electricity in a day. However, with the use of solar tracker system, the panels can generate 3,241 units of electricity. That said, the condition of the panels also plays an important role in this.

GLORY OF KP ENERGY

KP Energy receives "Company of the Year" Award for EPC

Success is no accident. It is the result of hard work, perseverance, learning, and capable leadership. Under the guidance of KP Group CMD Dr. Faruk G Patel and the leadership of Whole-Time Director Mr. Affan Faruk Patel, KP Energy has once again received the "Company of the Year" Award for EPC. The honour was bestowed by WindInsider at the India Wind Energy Forum Leadership Awards 2023. KP Energy was awarded the "Company of the Year (Platinum) Award 2023" on the occasion. KP Parivaar extends its congratulations to the entire team of KP Energy for the accolade.

KP Human's commitment to helping women become independent, begins vocational classes

KP Human Development Foundation has joined hands with the Sarvajanic Education Society in its endeavour to help women and girls develop skills and become independent. With the Society's support, the Foundation has launched various vocational classes in the Rao Saheb JC Munshi Primary School. The summer training camp was launched on May 10, 2023. The camp was inaugurated by KP Human Development Foundation's Director Mr. Afraz Shaikh (Raja), the Foundation's Education Coordinator Ms. Ashiyaben Janab, the school's academic committee chairman Mr. Ajitbhai Shah, and the school's administrative committee chairman Mr. Nikhilbhai Madrasai. The school committee's secretary Ms. Hemlataben Sharma and in-charge principal Ms. Nitaben Patel were also present.

Sewing expert Ms. Jahedaben Patel, mehndi expert Ms. Sadiya Shaikh, and chocolate making expert Ms. Misbah Mansoori, who imparted training to the participants, also graced the occasion. The camp got underway with the participants receiving training in mehndi design, chocolate making, gift

packing, sewing training, cushion cover making, makeup, nail and hair art, and chocolate bouquet making. A large number of women and girls are undergoing training at the camp and aim to stand on their own feet. The training in chocolate making and gift packing was provided free of cost to willing women by the Foundation.

Team KP donates blood for Thalassaemic children

The Surat Police organised blood donation camp for thalassaemia-affected children in different police stations every month. For May 2023, the blood donation camp was organised in Khatodara police station. Some members of Team KP

participated in the blood donation camp and contributed to the noble cause. Around 750 units of blood is needed for thalassaemic children in Surat every month, according to Surat Raktadaan Kendra. Surat police commissioner Mr. Ajay Kumar Tomar had instructed that blood donation camps be organised in police stations every month to support the cause.

KP Group CMD Dr. Faruk G Patel graced the third mass marriage ceremony organised by Shri Ramdev Peer Seva Samiti and Veer Megh Mahar Bhavan Surat at Shriji Farm, Moti Ved, and blessed the young couples. He presented a 2 gram gold coin as a gift to each of the newly-wed couples on behalf of KP Group. He also announced a donation of Rs. 5 lakh from KP Group for the next mass marriage ceremony. MLA and former minister Shri Purnesh Modi presided over the mass marriage ceremony. The ceremony's mentor Shri Ashok Gohil, chief organiser Shri Naresh Boricha, and the community's president Shri Jesing Mahida were among those who felicitated Dr. Faruk G Patel.

"Kanubhai The Great" Dr. Faruk G Patel to feature in urban Gujarati film

Gujarati film "Kanubhai The Great" will feature the story of Padma Shri Dr Kanubhai Tailor, who is President of Disable Welfare Trust of India, and has dedicated his life to the service and well-being of the specially-abled. The film is not a biography but is inspired by Kanubhai's life and story. Noted actor Sunil Vishrani, who has featured in many Hindi and Gujarati movies, will be seen in Kanubhai's role in the film. The urban Gujarati film is directed by Irshad Dalal and Paraag-Prayas. KP Group CMD Dr. Faruk G Patel's support to the cause of specially-abled is also well-known. He had sponsored the visit of 90 children of Disable Welfare Trust of India to Haridwar, Rishikesh, Mussoorie and Kaliyar Sharif. He had also sponsored the Mecca-Medina pilgrimage of 11 specially-abled children and their mothers. He has also adopted the BCA college for specially-abled. Moreover, he is also building Prabhu Nu Ghar (Lord's dwelling), the first-of-its-kind dedicated old-age home for the specially-abled in Bharuch. Impressed by this, the film's producers and directors insisted on featuring Faruk G Patel in a scene featuring Kanubhai and his family. The shot featuring Dr. Faruk G Patel was completed in a studio in Vadodara in May. He also recorded some anecdotes shared with him by Kanubhai. The film's producers and directors plan to include these too in the film.

WORK IS WORSHIP

KP Energy erects 140 wind turbines till date, operationalize 140-metre high windmill, the tallest yet

Work is worship, and the team of KP Energy has shown its firm belief in these words. KP Group's wind power arm KP Energy came up with its best performance yet. Under the inspiring guidance of CMD Dr. Faruk G Patel and the leadership of Whole-time Director Mr. Affan Faruk Patel, KP Energy successfully completed the erection of 140 wind turbines (298.6 MW). The team also deserves applause for erecting Senvion India's 140-metre high wind turbine. This is the tallest windmill installed by KP Energy yet. As many as 98 turbines of Suzlon (205.8 MW) have been installed in Siddhpur 2. Twenty-two turbines have been installed in Mahuva-Bhungar, 15 in Mahuva-Fulsar. In Samoj, the windmills were erected for group company KPI Green Energy under the Hybrid Policy. In just four months, the erection of seven windmills was completed in Samoj village. Incidentally, the credit for installing and successfully running the first wind turbine in south Gujarat also goes to KP Group. CMD Dr. Faruk G Patel extended his gratitude and congratulations to the team for the accomplishment. It is worth noting that KP Energy has an order book of more than 1 GW and the team is working day in and day out to deliver the projects on time.

KP team celebrating the successful installation of 7 wind turbines in Kora.

KP Group expands team

Starts new corporate office in Montessa on Dumas Road

KP Group is growing. It is also expanding its team. The Group built its corporate office KP House at Bharat-Canal Road in Surat and built a similar building at Solarism site in Sudi village. The Group has now opened an office at the famous Montessa Commercial Building on the Surat-Dumas Road. The new teams will operate from the new office and work on new ideas and projects. The new office was inaugurated by our CMD Dr. Faruk G Patel's parents Gulambhai Patel and Rashidaben.

KP Group in the news

"YOUR HEALTH, OUR ASSET"

KP Group holds health check-up camp for employees

KP Group believes that employees are its biggest asset and hence the health of employees is paramount. KP Group is also concerned about the well-being of employees who work day in and day out for the group's growth. To emphasise the importance of health among employees, a health check-up camp was organised for employees at KP House. The camp was organised in association with Sun Grace Multi-speciality hospital. Similar camps will be conducted at all sites of the group. Necessary support will also be provided to employees in case anyone is diagnosed with any illness. It is worth noting that even during the Covid-19 pandemic, the group had arranged for health check-up and Covid tests for the employees. Arrangements were also made to administer the Covid-19 vaccines to all employees.

Our CMD Dr. Faruk G Patel was the chief guest at a function to distribute prizes among bright students organised by the Saurashtra Halai Memon Jamaat. He was felicitated by President Mr. Bilalbhai Tinwala, trustee Mr. Imtiaz Leela and others for being conferred the honorary doctorate by the American East Coast University.

ભરૂચના વી.સી.ટી. ગર્લ્સ કૅમ્પસમાં યોજાયેલ સન્માન સમારોહમાં ડૉ. ફારુક પટેલે સહિતનું સન્માન કરાયું. વી.સી.ટી. ટ્રસ્ટ તથા એમ.એમ.સી.વી. ટ્રસ્ટ ધરાવે મહાનુભાવોનું પુસ્તક, મોનેટરી, લેટર તથા શાલ આપી સન્માન કરાયું.

Our CMD Dr. Faruk G Patel graced the function organised by The Surat District Muslim Education Society to honour students of Anglo-Urdu school for achieving A-1 and B-1 grades in standards 10 and 12. He handed prizes to the students and encouraged them to excel in academics. He was felicitated by the Society's President Mr. Mehboobhai Palla and other trustees for receiving the honorary doctorate degree. It is worth noting that Dr. Faruk G Patel is also the chairman of Anglo-Urdu's advisory board.

The Valli Charitable Foundation, Bharuch, organised a programme to felicitate bright girl students. Our CMD Dr. Faruk G Patel interacted with the teachers and students and emphasised the importance of education. He urged the girl students to pursue higher education and aim to achieve academic excellence. Munshi Manubarwala Trust Chairman and World Bharuchi Vahora Patel Federation's International President Mr. Ayub Akuji, Mr. Dilawarbai, Mr. Ibrahimbai Maniar, Mr. Nisarbai, and others felicitated Dr. Faruk G Patel for being conferred the honorary doctorate.

ધી સુરત ડિસ્ટ્રિક્ટ મુસ્લિમ એજ્યુકેશન સોસાયટી સંચાલિત માધ્યમિક અને ઉચ્ચતર માધ્યમિક શાળાઓમાં બોર્ડની પરીક્ષામાં A-1, A-2 ગ્રેડ મેળવનાર વિદ્યાર્થીઓનું સન્માન કરાયું. માર્ગદર્શન આપનાર આચાર્યો અને શિક્ષકોનું પણ સન્માન કરાયું (સાહકાના સ્ત્રોત)

Shri Jain Shwetambar Murtipujak Yuvak Mahasangh, Surat, and Nakoda Bhairav Foundation organised a blood donation camp and free mega medical camp to mark the birthday of former deputy mayor Mr. Nirav Shah. The camp was organised at Sarita Sagar Sankul. Our CMD Dr. Faruk G Patel met Mr. Nirav Shah and extended his best wishes to him. State environment minister Shri Mukesh Patel, MLA and former minister Shri Purnesh Modi, and Surat Mayor Smt. Hemali Boghawala were among those who were present on the occasion.

A basic training camp of The Surat City Bharat Scout and Guide Association was organised in Bhestan. KP Group CMD Dr. Faruk G Patel was invited as the Chief Guest to encourage the teachers who have successfully undergone the training. Impressed by the discipline of the scouts, he announced its implementation within the KP Group. The Association's Vice President Mr. Ashok Gohil and Secretary Mr. Ankit Modi felicitated Dr. Faruk G Patel. The trainees showcased their skills before the audience.

The All Surat Memon Association (ASMA), the umbrella body of all seven Memon community associations, including Surat Halai Memon Jamaat, Dhoraji Memon Jamaat, Saurashtra Halai Memon Jamaat, Morbi Tankara Memon Jamaat, Upleta Memon Jamaat, Unn-Sachin Memon Jamaat, and Tharadi Memon Jamaat, has appointed community leader and Bismillah franchisee owner Mr. Asif Bismillah as the President. At an event organised at Surat Memon Hall, our CMD Dr. Faruk G Patel congratulated Mr. Asifbhai and expressed confidence that he would follow into the footsteps of his father Late Shafibhai and work for the uplift and growth of the Memon community.

KP Group is committed to environmental conservation. The group's charitable arm KP Human Development Foundation undertook tree plantation in the Rao Saheb JC Munshi School and school nos. 105 and 149 of Nagar Prathmik Shikshan Samiti. The foundation has adopted these schools. More than 50 saplings were planted in the schools as a part of the drive. KP Human Development Foundation's Director Mr. Afraz Shaikh (Raja), education coordinator Ashiyaben Janab, the school's staff, students, and teachers participated in the drive.

Our CMD Dr. Faruk G Patel launched Ummeed Hain Hum, the annual magazine of Ume English school in Limbayat, at KP House. Ume Welfare Trust and Ume School President Mr. Afroz Khan, Mr. Ahmed Cyclewala, Mr. Ashraf Khan, social leader Mr. Raees Shaikh, school principal Mr. Mohammed Harris, and other dignitaries felicitated Dr. Faruk G Patel and thanked him.

KP Group participated in the Shala Praveshotsav, the annual drive aimed at improving the enrolment rates in schools. KP Group Founder Gulam Dada led from the front and participated in the drive by distributing school bags and books to young toddlers in a primary school in Kerwada village of Bharuch. Surat Mayor Smt. Hemali Boghawala and KP Human Development Foundation's education coordinator Ashiyaben Janab participated in the drive in Nagar Prathmik Shikshan Samiti's school nos. 105 and 149, which the Foundation has adopted. The Hon'ble Mayor lauded KP Human Development Foundation for its social contribution. KP Group's Farun attended the drive in Matalpur primary school and Matalpur Para primary school. He distributed educational kits among 50 children and lunch boxes among 30 anganwadi children. Eighty school bags were distributed among children in a school in Mahuva taluka of Bhavnagar.

KP Group receives certificates for participating in three Guinness Records by martial artist Vispy Kharadi

Surat's noted martial arts exponent Vispy Kharadi achieved a rare feat of creating three Guinness World Records at an event at Sarsana Convention Centre in Surat on October 4, 2022. He created the Guinness World Records by crushing 89 drink cans (tins) with his hands in a minute, breaking 64 concrete blocks in a minute using his elbow, and breaking a 525-kg concrete block by actor Sahil Khan while Vispy was sandwiched on a bed of nails. KP Group, which wholeheartedly supported Vispy Kharadi's record bid, was the main sponsor of the event. The Guinness Book of World Records recognised and acknowledged KP Group's participation in the event and awarded the Certificate of Participation to the group. The certificates were presented to our CMD Dr. Faruk G Patel at the Beyond Boundaries Awards event by Vispy Kharadi and his wife Farzana Kharadi.

Surat's noted martial arts exponent Vispy Kharadi achieved a rare feat of creating three Guinness World Records at an event at Sarsana Convention Centre in Surat on October 4, 2022. He created the Guinness World Records by crushing 89 drink cans (tins) with his hands in a minute, breaking 64 concrete blocks in a minute using his elbow, and breaking a 525-kg concrete block by actor Sahil Khan while Vispy was sandwiched on a bed of nails. UK's Deputy High Commissioner in Gujarat and his team visit KP House

Taking note of KP Group's excellent performance and success in the renewable energy space, foreign companies are now showing keen interest in partnering with it. Mr. Stephen Hickling, British Deputy High Commissioner to Gujarat & Rajasthan, Ms. Akoto Agyeman, First Secretary and Deputy Head of Investment, India, and Ms. Nandita Rajput, Senior Advisor, Investment, and India Lead for Renewable Energy at the British High Commission, met our CMD Dr. Faruk G Patel to explore the role KP Group can play in the renewable energy sector in the UK (United Kingdom). They were apprised about KP Group's achievements in solar and wind power. Shri Mehboob Ali Bawa was also present at the meeting.

Beyond Boundaries Award

Teams honoured for completing hybrid project in Bharuch's Kora and Bhavnagar's Bhungar villages in four and seven months respectively.

KP Group is synonymous with the path to progress. It is a special quality of our CMD Dr. Faruk G Patel to recognise and honour employees who give their 100 per cent efforts and contribute to the group's growth.

On June 20, KP Group hosted Beyond Boundaries Award, a special event at Le Meridien in Surat on June 20 to felicitate the teams and heads of departments for the expeditious completion of various renewable energy projects under the Hybrid Policy before the policy expired. Seventy-nine employees were presented silver and gold medals and awarded cash prizes in recognition of their efforts. Narendra Desai was gifted a Swift Car in recognition of his liaising work under the Hybrid Policy.

Under the policy, FRT Head Mr. Sarfaraz (Baba) Patel was tasked with the responsibility to install seven wind turbines of 15.9 MW capacity in Kora village of Bharuch. Right from delivery of the wind turbines to their installation, Mr. Sarfaraz Patel and his team executed their responsibilities most diligently and completed the project within a short span of just five months. Until then, the company used to take around 18 months to complete a project of this scale. Working under the guidance of CMD Dr. Faruk G Patel and Whole-time Director Mr. Affan Faruk Patel, Mr. Sarfaraz Patel and his team executed the project in a record time and that too just two days before the policy was to expire. More importantly, KP Group has also opened new avenues for renewable energy by installing the first wind turbine in south Gujarat region.

Similarly, Whole-time Director Mr. Affan Faruk Patel, KP Buildcon CEO Mr. Moinul Kadwa, PRO Mr. Faruk Otha, Mr. Rambhai, Project Head Mr. Virendra Kesari, and others worked tirelessly to complete the installation of 22 wind turbines (seven belonging to KPI Green Energy) with 50 MW capacity in Bhavnagar's Bhungar village. The teams were honoured with a grand party for their commendable work. During this event, the journeys of KP Group and CMD Dr. Faruk G Patel were showcased through sand art. The staff were mesmerised by the talent of noted Qawwali artist Muztaba Naza and the flute and drum artists. CMD Dr. Faruk G Patel honoured the core team by presenting gifts to them. He also apprised the team about the group's vision and mission for the future and expressed his sincere gratitude to the teams for working Beyond The Boundaries.

Surat factory, whose lab-grown diamond gifted to US First Lady; was made, is powered by KP Group's green power

During his recent state visit to the US, Prime Minister Shri Narendra Modi gifted a 7.5 carat lab-grown diamond to US First Lady Dr. Jill Biden. The remarkable diamond was produced by Greenlab Diamonds at its factory in Surat. It is a matter of great pride for all of us that this factory's electricity needs are met by KP Group. Our group company KPI Green Energy has set up a 25 MW solar power plant in Samoj village of Bharuch, as well as a 9.4 MW hybrid wind power plant in Kora village of Bharuch to cater to the energy needs of Greenlab Diamonds.

From Surat to the White House: KP Group's renewable energy fuels Greenlab Diamond's 7.5 Carat Diamond to the First Lady of the US

Updated: 27/06/2023

Surat (Gujarat) [India], June 27: KPI Green Energy, a subsidiary of KP Group, the leading player in the renewable energy sector, played a vital role in the creation of a 7.5-carat lab-grown diamond that Prime Minister Narendra Modi gifted to US First Lady Dr. Jill Biden during his recent state visit to the US.

The remarkable diamond, produced by Surat-based Greenlab Diamonds LLP, the world's largest producer of lab-grown diamonds, was meticulously crafted in a factory in Surat using a process that replicates the natural formation of diamonds beneath the Earth's surface. The entire production of this lab-grown diamond was powered by environmentally friendly solar and wind power.

KPI Green Energy fulfilled the electricity requirements for Greenlab Diamonds by establishing solar and wind power plants. KPI Green Energy has set up a 25 MW solar power plant in Samoj village of

KP Group certified as "Great Place To Work"

KP Group means happiness. KP Group means the path to success and prosperity. KP Group is an employee-friendly place. The Group CMD Dr. Faruk G Patel shares a close relationship and attachment with the employees and stands by them in good and bad times. He has implemented various employee-friendly policies in the group. These include regular health checkup of employees, honouring employees who work in a dedicated manner, bestowing recognition as owner on employees who are part of the group for more than 10 years, sponsoring religious trips of employees, providing lunch to all employees (many times, our CMD Dr. Faruk G Patel also has lunch with the employees), enquiring about their well-being during field visits, celebrating happy hours during the weekend, and many more. Most of these initiatives are a result of his interest in the well-being and happiness of employees. The Heads of Departments also pay close attention to these issues. Considering the employee-friendly policies and initiatives, Great Place To Work Institute of India sent a survey form with over 150 questions to 473 employees of KP Group via email. The question number 3 was a tricky one and many employees who responded to it without understanding it properly stood disqualified. The remaining employees found the work environment at KP Group favourable and conducive to growth. As per Great Place To Work Institute of India's policy, a company is awarded the Great Place To Work certificate if 70 per cent of the employees express happiness with the company's work environment. However, it is a matter of great pride for all of us that 84 per cent of the employees who participated in the survey, i.e. 317 employees, expressed happiness with KP Group's work environment.

Following completion of the survey, the surveyor team of Great Place To Work Institute of India spoke with some employees over telephone to confirm that they had not given positive responses to the questionnaire under anyone's pressure. Satisfied that KP Group employees are genuinely happy with their work place, the Great Place To Work Institute of India awarded the Great Place To Work certificate to KP Group.
