KP Human's Service Mission: Will build old-age home exclusively for Divyangs

Digital Edition

KP Group CMD Faruk Patel had a courtesy meeting with Gujarat Chief Minister Shri Bhupendra Patel, who led the BJP to a record-breaking victory with 156 seats in the Gujarat Assembly elections. They discussed the latest developments and the future trends in the renewable energy space. Faruk Patel also met K Kailasnathan, Chief Principal Secretary to the Chief Minister. During this visit, Mr. Mehboob Ali Bawa, Mrs. Venuben Birappa, Mr. Patil sir and Mr. Amir Naviwala were present.

**KP Group CMD Faruk Patel's courtesy meet with Gujarat Chief Minister Shri Bhupendra Patel**

**CMD Faruk Patel honoured by Rotary Club for KP Human's social services**

KP Human Development Foundation, the CSR arm of KP Group, supports a host of social initiatives under the guidance of CMD Faruk Patel. Taking note of the Foundation's activities, the Rotary Club of Gandevi honoured Faruk Patel with an award. Faruk Patel was bestowed the "LAMHE - Legacy Award for Meaningful Humanitarian Effort" at an event at Sarsana International Convention and Exhibition Centre on January 22 in the presence of national and international Rotarians. In all, 19 individuals contributing to various social causes were felicitated at the event. The other recipients include Padma Shri Savji Dholakia, Padma Shri Dr. Kanubhai Tailor, and Nargis Dutt Foundation's Chairperson Priya Dutt. Speaking on the occasion, Faruk Patel expressed gratitude to the Rotary Club for selecting people supporting social causes without any consideration of caste and creed.

**Outcome of social service: Gujarat governor Shri Acharya Devvrat felicitates CMD Faruk Patel**

The KP Human Development Foundation, the CSR arm of KP Group, undertakes and supports several social initiatives under the direct guidance and supervision of CMD Faruk Patel. Just recently, Faruk Patel announced that he would take care of the entire responsibility of building Prabhu Nu Ghar, the world's first old-age home dedicated to divyangs. The announcement was made from the stage at the foundation stone laying ceremony of the old-age home in the presence of Chief Minister Shri Bhupendra Patel. Upon learning that Faruk Patel had also sponsored the visits of divyangs to Haridwar and Mecca-Medina, Gujarat Governor Shri Acharya Devvrat extended a special invite to him to visit Raj Bhavan in Gandhinagar and honoured him along with Disable Welfare Trust of India President Padma Shri Dr. Kanubhai Tailor. The Hon'ble Governor also congratulated Faruk Patel for his immense contribution to various social causes. KP Human Development Foundation's Director Raja Shaikh, Disable Welfare Trust's Vijaybhai and Rachna Kanubhai Tailor were also present.

**Achievement: KP Group becomes first to install Windmill under Hybrid Policy in South Gujarat**

KP Group has been marching ahead on the growth path. KP Group has achieved the distinction of installing the first wind turbine in South Gujarat under the hybrid policy. The project is progressing as per the personal analysis of KP Group's visionary CMD Faruk Patel. The company is in the process of installing seven wind turbines in Kora, Kavli, and Kangaam villages of Bharuch, while solar power plants have been established in Saarod and Saamoj villages. As of March-end, one wind turbine has been installed. Five wind turbines of 2.1MW and two turbines of 2.7MW are planned to be established under the project. The work is expected to be completed by April-May 2023. It is noteworthy that the development of the hybrid plant is being taken care of by the young blood in the team, which is a matter of great pride for the group.

**Work continues on these projects**

The under-development projects of KPI Green Energy and KP Energy include six hybrid projects at Saamoj, Bhungar and Unchadi. Work is in progress for 25 solar and wind power projects in Vagra, Tanchha, Ora, Ranada, Simartha, Shahpura, Veddchha, Jarsad, Simdhara and Karad villages. Most of these projects will be completed in the very near future. Of the ongoing projects, 15 are for 11 Kw line while ten projects are for 66 Kw line. The cumulative capacity of all these projects is 470MW.

KP Group's chest swelled with pride after group company KPI Green Energy won a deal to supply hybrid power to the Indian Air Force. On February 6, 2023, KPI Green Energy's Managing Director Faruk Patel and Air Force's Senior Administrative Officer Mr. Pravod Sood, Air Force Station, Jamnagar's Lt General (AF) Mr. Man Bhardwaj, Chief Engineer Mr. Mahendra Pal, Command Work Officer Anand Sir, and Deputy Director (EM) Mr. Lokesh Goyal signed the agreement for the supply of 1.845 MWac hybrid power at Gandhinagar. Non-executive Directors Smt Venu Birappa and Mr. Sharad Patil, and Assistant General Managers Javed Patel and Anurag Pal were present at the occasion on behalf of KP Group. The Air Force team shared information about the agreement on Twitter. Speaking on the occasion, Faruk Patel thanked the Air Force for the agreement and said it is a great honour for the company to serve the nation by providing green and sustainable renewable energy to the armed forces. KPI Green Energy will supply 1.845MWac hybrid power for 20 years to the Jamnagar Air Force Station under the Independent Power Producer segment.

**Matter of pride: KPI Green Energy signs hybrid power purchase agreement with Indian Air Force**

 C PRO South Western Air Command @SWAC\_IAF  
 In a first for MES and #IAF, an agreement between #AirForce Station Jamnagar and KPI Green Energy Ltd was signed at the office of Chief Engineer (AF) Gandhinagar in the presence of SOA SWAC. Project will save approx Rs. 25 Lakh per annum and ensure supply of 50% green energy.

**KP Human's Service Mission:  
 Will build old-age home exclusively  
 for divyangs in Jhagadia,  
 CM Bhupendra Patel lays  
 foundation stone**

Our CMD Faruk Patel is blessed with a golden heart. He has a soft corner, especially for those who have been abandoned and less privileged. He has been supporting several initiatives for the specially-abled (divyangs) through KP Group's CSR arm KP Human Development Foundation. Pressing ahead with the service tradition, and realising the hapless condition of divyangs, especially the aged ones, he announced that he would build a dedicated old-age home for the divyangs and help Padma Shri Dr. Kanubhai Tailor, the

founder of Surat's Disable Welfare Trust of India, fulfil his long-time dream. The old-age home - Prabhu Nu Ghar - (Lord's dwelling) is being built at Uchediya village in Bharuch's Jhagadia taluka. The foundation stone of the old-age home building was laid by Chief Minister Shri Bhupendra Patel on February 19. KP Group CMD Faruk Patel announced from the stage on the occasion that he would take over the entire financial responsibility for building the old-age home. A token cheque of Rs. 21 lakh was handed over on behalf of KP Group to Disable Welfare Trust of India at the hands of the Chief Minister and Jambusar MLA Shri DK Swami. CMD Faruk Patel has started building an internal team that will be entrusted with the responsibility of overseeing the old-age home's construction.

**I salute such a simple-hearted Chief Minister,  
 I assume responsibility for building the entire  
 old age home: Faruk Patel**

"I have experienced that our chief minister has a soft heart and he is a good-hearted person. I have met many top leaders in my career but the chief minister's simplicity and liveliness are truly remarkable. Kanubhai Tailor has been doing a lot of good work for the divyang community. Building this old-age home is also his dream, but I want to say to him that he does not need to ask for even a rupee's donation from anyone for this project. The responsibility of seeing this project through is entirely mine. I also thank Bharuch district collector Shri Tushar Sumera for his support in developing such excellent facilities in a remote forest area," he said on the occasion, and ended his address with chants of Jai Hind, Jai Bharat.

**Prime Minister  
 Narendra Modi came up  
 with the term 'Divyang'  
 and started bringing  
 them into the  
 mainstream:  
 CM Bhupendra Patel**

Speaking at the foundation stone laying ceremony of the old-age home for divangs, Chief Minister Shri Bhupendra Patel said that Prime Minister Shri. Narendra Modi is committed to bringing the specially-abled into the mainstream of society and has implemented several schemes in that direction. He said the construction of an old-age home dedicated to the divyang community is truly a commendable step. It is said that Ranchhod (God) can be seen even in plants, and in the same way Ranchhod must be seen in divyangs, he said and lauded the divine work of the organisation.

Speaking further, the Chief Minister said that at a time when India has started creating employment opportunities even in foreign countries under the proud leadership of Prime Minister Shri. Narendra Modi, the foundation stone laying of a divine project is another step forward in the commitment to the cause of the divyangs. He also said that the government on its own cannot achieve the dream of contributing to an Atmanirbhar Bharat through an Atmanirbhar Gujarat, and various religious organisations and NGOs are also making significant contributions to various fields. The Chief Minister added that the state government is committed to contributing to the social work undertaken by religious organisations and NGOs.

**Chief Minister Shri Bhupendra Patel, Dr. Kanubhai Tailor, KP Group CMD Faruk Patel, and MLAs Shri DK Swami, Shri Ishwarsinh Patel, Shri Ramesh Mistry, and Shri Ritesh Vasava, and other dignitaries graced the old-age home's foundation stone laying ceremony.**

**CM Bhupendra Patel has received the blessings of his ancestors by laying the foundation stone of old-age home for divyangs: Dr Kanubhai Tailor**

Delivering the welcome address, Disable Welfare Trust of India's President Padma Shri Dr. Kanubhai Tailor said that by laying the foundation stone of an old-age home for divyangs, Chief Minister Shri Bhupendra Patel has received the blessings of his ancestors. He said that under the double-engine government, the fate of divyangs is about to shine. He thanked the chief minister for accepting his invitation and sparing time to fulfil the last of the five resolutions of my life. Kanubhai also said that he had represented several issues related to divyangs before then

chief ministers Amarsinh Chaudhary, Madhavsinh Solanki and others. He recalled that he had to stage protests at the time, but the current chief minister had immediately granted time to meet him and helped fulfil his wish.

The foundation stone ceremony began with the traditional lighting of the lamp by the Chief Minister and other dignitaries. The Chief Minister was welcomed to the stage with a bouquet and shawl. The Chief Minister was also presented mementoes by Disable Welfare Trust of India and KP Group. Wheelchair-bound divyang students enthralled the audience with their stunning performances.

## GLORY OF KP GROUP

KP Group, which has been marching ahead on the path of growth, has added another feather to its cap. KP Group was honoured with the Best Brands Award at the ET Best Brands Conclave 2022 for excellent performance in solar power and wind power segments and for providing quality services to customers. The ET Best Brands Award is an initiative of the leading business newspaper The Economic Times. The award was accepted on behalf of KP Group by CMD Faruk Patel's elder son and the KP Energy's Whole-time Director Affan Patel. The award ceremony was organised at the Taj Lands End in Mumbai.

## Great news: KP Group wins "Best Brand" Award

KP Group CMD and World Bharuchi Vahora Federation's (WBVF) Director Faruk Patel addressed the Youth Conclave organised under the vision "100 Billionaires - 2035" by WBVF in the auditorium of Bharuch's Matliwala School on January 6, 2023. Around 500 young boys and girls from the community participated in the conclave. Faruk Patel answered to more than 24 questions posed by them and also provided career guidance to them. Addressing the youngsters, Faruk Patel said that WBVF will happily promote any innovative business ideas. He said that while the Shark Tank is in vogue nowadays, the community will extend the necessary support to aspiring entrepreneurs. He said the community would invest anywhere from Rs. 10 lakh to Rs. 100 crore in great business ideas, provided the entrepreneurs are willing to work hard and systematically.

"You will have to create employment not only for yourself but for a large number of other people. You will have to support the community to get ahead. I am extremely proud that daughters from the Bharuchi Vahora community are also enthusiastically taking part in this conclave and are in the race for the 100 Billionaires. I have seen that girls are present in social events and marriage functions in large numbers, but their presence in such large numbers in a business-related conclave is highly inspiring. Their presence is proof that no one can stop the community from shining on the world stage. I can see the determination to succeed on the faces of the young daughters. I am confident that the youths present in the audience are going to be owners of many large companies of the future," he said.

### How Faruk Patel motivated the youngsters...

**1** Luck is obviously there. We have to place faith in the luck which the Lord has given to us, but with prayers and hard work, we can change our luck.

**Youth Icon Mr. Faruk Patel interacts with 100 billionaires of the future; "when daughters are in the race for becoming billionaires no power can stop the community from shining on the world stage"**

Why should a book be written on me? Books will be written on the 500 students sitting in this auditorium. Every page of the book will tell the story of their journey from struggle to success.

**3** It is a matter of pride for the community that daughters are also here in this 100 Billionaires event. No power in the world can stop this community from marching ahead.

Your credit and personality play a very important role. Every country has a different currency. The values and cultures are different, but if you have credit, everything is available by default.

**5** There was a time when I had to wait for an hour or even longer to encash a cheque of Rs. 20,000 at a money changer right here in Bharuch. The same money changer now comes to my office in Surat and requests me to suggest ways he can grow in life. What I want to say is that you work hard and take yourself to such heights that people will start appreciating you. They start appreciating your efforts. Every policy and administrative system will automatically come to your assistance once you attain a certain height.

**2** Replying to former cricketer Munaf Patel's question as to how a doctor or engineer can become a billionaire, Faruk Patel said, "Why can they not?" My own son Affan Patel, who is a BE engineer, will complete works of Rs. 550 crore in a year. He has set up a team of 70 engineers. In the same way, a doctor can set up a team to establish a multi-speciality hospital or enter the medicine business and achieve the desired heights. There are many such examples amongst us. What one needs is attitude. Of course, high qualification is also an absolute must. Someone with less education will not be able to rise beyond a point, but for someone who is highly qualified, the prospects of rising higher are greater. Munaf Patel became a wicket-taker only after practising lakhs of deliveries. Someone who is educated can move ahead on every delivery.

**7** You can also enter an already established business, but the condition is that whatever you take up, work hard with dedication and passion. Work like crazy, even if others call you crazy.

There is nothing like failure. It is a part of the process of moving ahead and learning. Yes, if you have taken up something, but dropped it forever, it can be categorised as failure. But, the key is to keep getting up and climbing the stairs irrespective of how many times you fall.

**9** To become a billionaire, you will have to behave like a billionaire and act like one. You will have to work in that direction.

**10** Why should Faruk Patel be the only one on the billionaires' list? What will I do alone there? It is my wish that all of you are with me on the list.

Mohammed Paigambar Saheb has been my idol forever. Whenever I am feeling too dejected or low, I go to Allah's home Mecca and Medina. You must make it a point to learn from every small or big person. There is so much to learn from the lives of Dhirubhai Ambani, Ratan Tata, and Warren Buffett.

**12** The size of the community does not make any difference. The population of Jews is so small, yet they decided that they will do something and are ruling the world today. They are running the American economy. We do not want to rule but we have to become prosperous. Prosperity is the answer to 95% of the issues. The world respects money.

**11** Warren Buffett started his career at the age of 14, but he said later he wished he had begun earlier. Your age has now crossed 19-20. It is time to make a list, form startups, and move ahead.

**14** Also plan for the long-term. If you go to the US or the UK, the flight ticket will cost you Rs. 1 lakh. The per kilometre cost will be Rs. 5. But if you have to go from here to Mohammedpura in a rickshaw, it will cost you Rs. 50 or Rs. 15 per kilometre. Shorter the route the more expensive it will be. Planning coupled with hard work is the key to success.

When I first planned a solar power plant, I used to go from one village to another with a projector to convince people to invest. Few adults used to come, while the children came thinking they would get to see some puppet show. But, I didn't lose hope and continued walking. I have reached this particular level but my journey is continuing.

Once you determine your goal, the realisation will dawn upon you that you are deterred by nothing. Placing a shark in a small fish tank keeps the rest

**13** of the fish running and their blood warm, but we do not need a shark fish. We are Vahoras. Our blood is warm anyway. All we have to do is to struggle and move ahead.

**17** I had never thought that I will have what I have today. Of course, I always knew that I will have a lot. Today my company has a market cap of Rs. 2,000 crore and I am confident that will Allah's blessings, it will become Rs. 25,000 crore by 2025.

### KP Group participates in marathon, supports 'Say No To Drugs' initiative

In an effort to save the youth from falling prey to drugs, the Surat police have been cracking down on the drug menace. Drug dealers and pedlars have been put behind bars. At the same time, Surat police are also trying to create awareness among the people at large and the youth in particular about the ill effects of drug consumption. As a part of the same, the Surat police organised a marathon on the occasion of World Cancer Day to spread the message of "Say No To Drugs". The marathon of 7 km and 14 km was organised in Dumas. KP Group enthusiastically participated in the marathon event. KP Group CMD Faruk Patel and the entire team participated in the marathon to spread the "Say No To Drugs" message. In marathon, Police Commissioner Mr. Ajay Tomar, Standing Chairman Mr. Paresh Patel and police inspector of Dumas Mr. Somaiya were present.

**Republic Day  
 celebrated at  
 KP House**

Like each year, Team KP celebrated Republic Day on January 26 at KP House this year too. Surat's former deputy mayor Shri Nirav Shah was the chief guest on the occasion. The scout team unfurled the national flag amid the playing of the band. The place reverberated with chants of Jai Hind. Speaking on the occasion, Nirav Shah said that the countrymen should stand united whenever the country is facing a crisis. He said that we must all cultivate the feeling of serving the country just like KP Group CMD Faruk Patel who is always keen to support any initiatives in the service of the country. Faruk Patel said on the occasion that just as we are celebrating the 73rd Republic Day, the coming generations celebrate the momentous occasion till eternity. He expressed sincere gratitude to Nirav Shah for his unwavering support of KP Group activities. He added that KP Group is committed to taking the country and the world to new heights.

**TEAM BUILDING**

**Employees of solar power plant sites get lessons in principles**

Team building is the core foundation of any organisation. If the team is strong, so is the organisation. Our CMD Faruk Patel takes a keen personal interest and puts in efforts to keep the team united. He regularly meets all employees and interacts with them. He makes efforts to solve employees' problems. He supports them like a family. These are the reasons why many employees have been a part of KP Group for as long as 23-24 years, i.e. since the beginning of KP Group. Faruk Patel has publicly said several times that he is at the heights that he is because of his 'owners' and that the group will achieve many more milestones on the back of their efforts. Faruk Patel held a meeting with employees working at various solar power sites of the company. KP Group's brand ambassador and former cricketer Munaf Patel also joined him in the meeting. Employees were given lessons in principles during the meeting.

**We want you to grow with us:  
 Mr. Faruk Patel**

Our CMD told employees that all of them are making their contribution to the growth of the company. He, however, cautioned that there is no place in the company for employees who are taking part in activities outside the forum. He said that like everyone else, the employees will have to demonstrate honesty, visionary efforts, and dedication. We really want you to grow along with the company but honesty towards the company is a prerequisite for the same, he added.

### Employer does not come every day because he has full faith in you: Mr. Munaf Patel

Addressing the employees, former cricketer and KP Group brand ambassador Munaf Patel said that if your thinking is big, the company will benefit from it. Regular practice and discipline are a must to be able to do well, and your honest efforts are the key to the company's growth, he said. The former cricketer also said that Farukbhai had a clear vision and he worked hard to realise his vision, and that is the reason why a bus conductor's son is the owner of such a large business empire. He said that his own example is also in front of them. Munaf Patel said they wish that employees work with dedication and grow along with the company. He also said that they do not see the employer every day because he has full faith in them. He also said that KP Group is a family and like every family there are always going to be some differences, but that does not mean that we continue to hold on to grudges and make it an ego issue. He cautioned that such a behaviour and mentality means a loss to the company and a loss to the company is ultimately a loss to all of us.

### Faruk Patel addresses youth at Memon Mega Summit; says just like a parachute, the mind only works when it is open

Surat hosted the Memon Mega Summit. KP Group was one of the partners of the Summit. KP Group CMD Faruk Patel was among the dignitaries who interacted with the Memon community youths at a motivational seminar and shared tips with them for building a successful career.

1. What you think is exactly what you will get. This is why everyone says that you must think big. A parachute works only when it is open. The same is the case with the mind. The more open mind you have, the bigger will be the thoughts. Your success will depend on how much can you grasp. Leaving behind a narrow-minded mentality will help you get ahead. The grasping power will result in newer ideas and even if any one idea clicks, you will have arrived.
2. There is a trend going on all over the world. Who can be trusted today? People ask who should we trust. The trust factor has gone down. The very people we believe in break the trust. This is what we have started believing. But what we should do in real life is we should trust other people and should continue doing that. I have changed 32 businesses in my life, yet here I am sitting before you. If you continue to have faith in a child, he will certainly succeed.
3. Failure is nothing but an experience. The word failure should have no place in the dictionary. Use the bricks and stones thrown at you in the form of insults and slights to erect your building. At the most, failure is a break, and a way to learn from it and move forward. Even the government has stopped the practice of failing students in classes 1 to 8. Which is why I say there is nothing like failure. It is only a process of learning.
4. When a well-educated person becomes a businessman, the chances of his success improve vastly. On the other hand, a less educated or illiterate person will not be able to grow beyond a certain level. Maybe many of us are very successful, but if we were more educated, we could have been at another level altogether.

### KP Human Development Foundation honoured for social initiatives

KP Human Development Foundation, the CSR arm of KP Group, undertakes and supports a host of social initiatives. The Dhoraji Memon Samaj felicitated the team of KP Human for its contribution to society.

**Why do we call Earth Mother?  
 CMD Faruk Patel explains on Women's Day**

The International Women's Day was celebrated at KP House with a cake-cutting ceremony. CMD Faruk Patel presented gifts and cards to the female employees and felicitated them. It is a matter of great pride for KP Group that more than 29 girls and women, ranging from executives to General Managers, are a part of the KP Group staff. Speaking on the occasion, Faruk Patel said, "Women can be considered equal to the earth. In our Indian culture, the earth is addressed as the mother. What is the reason for that?"

"We plough the earth and plant seeds. We harvest fruits, grains and other crops from it and plough it again. The earth is like a mother. Even if it is destroyed, it keeps on giving fruits and grains again and again. The earth does not lose its patience or affection. Ishwar and Allah have made women strong. Women are full of patience, motherly love, and affection. If she loses her cool, she can make anyone sweat. I am not saying this emotionally, but it is the truth that there is no one as tolerant as a woman in this world," he explained.

The female staff of KP Group expressed sincere gratitude to CMD Faruk Patel and the Group for providing the highest levels of safety to them. Neelam Desai said that she has been a part of KP Group for many years and now even her daughter is working with KP Group. She thanked Faruk Sir for creating and providing a safe environment. Company Secretary Rajvi Upadhyay said that for her KP Group and Faruk Sir are like a family. She thanked KP Group for standing by her during difficult times. Yasmin Mansuri said that it is not that a woman is incomplete without a man. A woman is so strong and powerful that she can lead her whole life on her own, she said. Shabana Bajari, GM of Finance, said that women are equal to men in every manner and can prove themselves given the opportunity, which we are seeing here. Lamiz Hassan Patel said that she has been getting a lot of support in the group and her husband had also been standing by her like a rock. She thanked the group for honouring the women.

**KP Group offers a safe work environment to women**

GROWTH

**KPI Green Energy and KP Energy on the path of progress; PAT of both companies rises sharply**

The two listed companies of KP Group, i.e. NSE and BSE listed KPI Green Energy Limited and BSE-listed KP Energy Limited are firmly on the growth path. In the past year, both companies completed half a dozen projects before time, while as many projects are currently in the execution stage. As far as financial performance is concerned, KPI Green Energy reported revenue of Rs. 4,626 million in the first nine months of the financial year 2022-23, a growth of 197% compared with Rs. 1,558 million in the corresponding period of the previous fiscal. The Profit After Tax (PAT) jumped by 133% from Rs. 334 million to Rs. 779 million.

Similarly, KP Energy also reported excellent financial performance. For the first nine months of the year, the company's revenues increased from Rs. 1,428 million to Rs. 2,894 million, a growth of 103%. The PAT for the same period grew by 82% from Rs. 157 million to Rs. 284 million. The financial performance suggests both companies are poised to achieve strong growth in the coming quarters and years.

**Acceptance in all communities:  
 Surat Meghwal Samaj gives standing  
 ovation to Faruk Patel**

Our CMD Faruk Patel was the chief guest at the Surat Meghwal Samaj Education Trust's 27th annual educational promotion and award ceremony. He felicitated meritorious students of various categories pursuing higher education. He urged the students to use education as a vehicle to move forward on their career paths. Faruk Patel received a standing ovation after his address was over. KP Human Development Foundation also extended financial assistance to the scholar students. The Meghwal Samaj members paid a visit to KP House and expressed gratitude to him for his generous support to the cause of education.

**Celebration** of Centenary year celebrations of Surti Darji Panch our CMD Faruk Patel attended the Centenary year (100th year) celebrations of Surat Olpad Choryasi division Surti Darji Panch as the chief guest. The Panch's President Janak Tailor happens to be his friend from school days. Addressing the gathering, Faruk Patel recalled that his schooling had more or less taken place in Janak Tailor's house. He said that his friend's parents considered him as their fifth son. He noted that even though he was born in the Muslim community, the Darji Samaj had played an important role in shaping his character and his growth. He told the gathering that he was one of them and would stand by the community whenever it felt his need.

KP Group CMD Faruk Patel was present at the inauguration of the new boarding building, study room, laboratory room, and the new school building of Surat Islam Yatimkhana Society. Janab Kari Ajmeri Saheb led the prayers for the foundation stone laying of the new building. The Trust's President Yunus Chakkiwala and other members of the trust also graced the occasion. It is noteworthy that Ajmeri Saheb also paid a visit to the high-tech library in the Yatimkhana building donated by KP Human Development Foundation. The library is aimed at helping UPSC aspirants prepare for the exams.

KP Group CMD Faruk Patel inaugurated the Aafiyat Family Clinic and Smile Trends Dental Care on February 26, 2023. The clinic is owned by his friend Hanif Patel's son Dr. Maaz Patel and Dr. Shabnam Patel. Well-known gynaecologist Dr Himani Thakar Vyas was also present on the occasion.

KP Group CMD Faruk Patel was the guest of honour at "Challenging the Status Quo", an event organised by the Baroda Muslim Doctors Association. He also addressed the audience, comprising doctors, social leaders and science students. Dr. Mohammed Aslam Parvez, former vice chancellor of Maulana Azad University, Hyderabad, and Bangalore-based senior journalist Makbool Ahmedabad Siraj also addressed the gathering.

KP Group CMD Faruk Patel inaugurated the new office of Maharashtra Muslim Samaj at Maruti Nagar in Limbayat on February 15, 2023.

KP Group CMD Faruk Patel attended the Safe Food Awareness and Improvement seminar organised at Senior Citizen's Hall at Adajan Road and shared his thoughts. He also expressed willingness to foray into the food industry. Retired deputy commissioner Chandrakant Selat and Confederation of All India Traders (CAIT) Gujarat Chapter President Pramod Bhagat were also present. The seminar was organised by Alibhai Patel, Founder of Safe Food.

Bhulka Bhavan Trust managed Smt VD Desai Vadiwalal School, where KP Group CMD Faruk Patel did his primary schooling, completed 50 years recently. He extended his best wishes and also sought the blessings of Meenakshi Madam, who has been imparting excellent education and values to the children for many years.

The 23rd Botawala Cricket Tournament was organised at the AU Rander Islam Gymkhana. KP Group CMD Faruk Patel was the chief guest at the final match and presented the trophy to the winning team.

KP Group CMD Faruk Patel unfurled the national flag at the Surat District Muslim Education Society (Anglo Urdu School) on Republic Day on January 26, 2023.

KP Group CMD Faruk Patel was the chief guest at the annual festival of Ryan International School at Rander Road. He presented prizes to the students and also spoke about the importance of education in his address.

The annual festival of Sarvajanic Education Society managed Rao Saheb JC Munshi School, which the KP Human Development Foundation has adopted, was celebrated with pomp. Children showcased their skills and talent through their performances. Speaking at the event, KP Group CMD Faruk Patel said that the Foundation always focuses on education. He told parents that their children can study right from pre-primary to even college in the society-run institutions. He assured that the Foundation would extend all the necessary support to bright children wanting to pursue a career as a doctor, engineer, CA, etc. Shri Rajesh Desai, Chairman of Sarvajanic Education Society, expressed sincere gratitude to Faruk Patel for supporting the school's complete makeover. KP Group's Whole-time Director Sohil Dabhoya, who incidentally studied in the same school, Whole-time Director Affan Patel, KP Group's HR Director Hassan Patel, KP Human Development Foundation's Director Raja Shaikh, Education Coordinator Ashiya Janab, school management, and teachers were also present. It is worth noting that KP Human Development Foundation has undertaken more than 50 educational activities at JC Munshi School in just nine months. The Foundation also sponsored the paintwork of the whole school building and contributed to providing a proper learning environment to students.

KP Group is committed to the Swachhata Mission. The group distributed 1,800 dustbins among residents of Sudi, Ranada, Kerwada and Shamiyala villages in the vicinity of the Solarism plant.

The Southern Gujarat Chamber of Commerce & Industry organised **IPOPREENEERS**, an event to felicitate listed companies from Surat, at the Sarsana International Exhibition and Convention Centre. KP Group CMD Faruk Patel was also felicitated at the function for the success of the two listed group companies - KPI Green Energy and KP Energy. KP Energy's Whole-time Director Affan Patel, HR Director Hassan Patel, and Lamiz Patel were also present on the stage to accept the honour. BSE SME Head Ajaykumar Thakur, NSE Vice President Ashish Goyal, The Southern Gujarat Chamber of Commerce & Industry's President Himanshu Bodawala and other office bearers were also present.

KP Group CMD Faruk Patel has tremendous affection for residents of old-age homes. Fifty-six residents of Modheshwari Old Age Home at Bhattha were provided with a rare opportunity to visit the Solarism site at Sudi village in Bharuch. The KP team also got the opportunity to serve the guests. The senior inmates were also taken to visit various temples in Bharuch.

KP Group has also been contributing to the development of villages. As a part of the same, the group developed the cricket ground of Ochhan village and dedicated it to the village's youths.

The All India Memon Jamat Federation organised a get-together at Memon Hall in Surat. KP Group CMD Faruk Patel shared his thoughts at the meet. The Federation's President Iqbal Officer, the event's President Dr. Zakir Batliwala, Joint Secretary Yusuf Malkani, Memon Jamat's former President Ilyas Bia, Bilal Tinwala, Alibaba, Imtiyaz Janta Plastic, Asif Bismilla and other office bearers of the federation were present.

### Adopted by KP Human, Rao Saheb JC Munshi School's Khoobsurat transformation

Team KP transformed the Sarvajanic Education Society managed Rao Saheb JC Munshi School in just nine months after it was adopted by KP Human Development Foundation. The school building's interiors and exteriors were painted. Paintings related to education were done on the school and classroom walls to motivate students. The SRP outpost, which had turned into a waste bin and was an obstruction for many years, was removed in coordination with the Surat Municipal Corporation and Surat police. Beautiful blocks were installed at the site, which can now be used for flag hoisting and other events. The Foundation has organised more than 50 educational programmes aimed at facilitating the mental and physical growth of the students. Many more such works are in progress. Team KP Human Development Foundation has decided that such works will continue till the school doesn't become a smart school.

KP Group CMD Faruk Patel dedicated a new bus to provide transportation facilities to divyang students of Padma Shri Dr. Kanubhai Tailor's Disable Welfare Trust of India on his birthday on March 24.

### Human First: KP Human launches project to feed the hungry

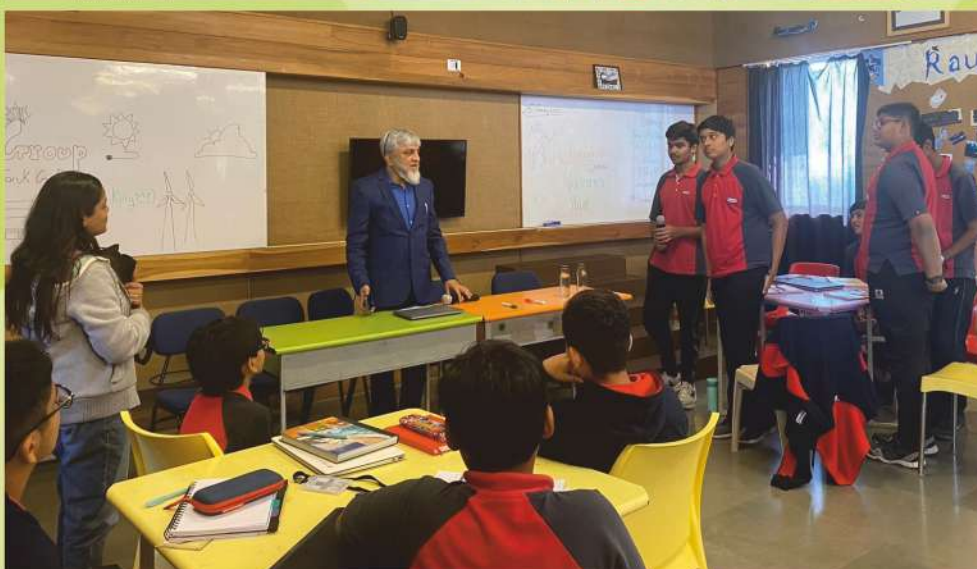

Our elders used to say that feeding the hungry is the most noble deed. In line with its philosophy of humanity first, KP Human Development Foundation, the CSR arm of KP Group, was running for more than two years a project to feed the hungry once a month. The project to provide food to the needy was extended to once a week. However, since January 2023, arrangements have been made to feed the hungry once a day every evening. Under the supervision of social worker Shabbir Chahwala, more than 100 to 150 hungry people are given different types of food at Hazrat Daavalshah

Pir Dargah Waqf Committee Trust at Chowk Bazaar in the evening. The staff of KP Group also extends its assistance to this noble deed. KP Human Development Foundation plans to replicate the project gradually in other places.

### Education Meet: Faruk Patel takes 'class' of Fountainhead School students

His unique personality and studious personality have helped KP Group CMD Faruk Patel find a unique place in the hearts of business tycoons, youths, and even school children. He was invited by the students of Fountainhead School at Dandi Road, Surat. The young students gave a unique welcome to Faruk Patel by making drawings of solar and wind power projects, the core business of KP Group, on boards. Faruk Patel interacted with the children for the duration of one period, i.e. 45 minutes. He shared his thoughts on leadership, management, environment conservation and other topics with the children.
