

# KPI Green Energy Secures Lol for 28.4 MW Solar Projects

By Rediff Money Desk, New Delhi Aug 02, 2024 13:54

KPI Green Energy's subsidiary, Sun Drops Energia, has secured Lols for solar projects totaling 28.4 MW under the Captive Power Producer (CPP) segment. The projects are expected to be completed in FY 2024-25.

New Delhi, Aug 2 (PTI) KPI Green Energy on Friday said its arm Sun Drops Energia Private Ltd has secured several letters of intent for solar projects totalling 28.40 megawatt (MW).

The company has received letters of intent (Lol) for executing solar projects with a cumulative capacity of 28.40 MW under the 'Captive Power Producer (CPP)' business segment of the company, it said in an exchange filing.

The projects are scheduled to be completed in the financial year 2024-25 in various tranches as per the terms of the order.
